

Bunting Stops The Rot

St. Albans 4, Wycombe Wan. 1

Goalkeeper Colin Bunting must soon have realised he was back in the first team when he re-appeared for them at St. Albans on Thursday last week. Within a few minutes he was in action making breathtaking saves in all directions.

The defence in front of him filtered back in 4-2-4 fashion. But then they forgot to tackle.

It was almost entirely through him that Wycombe came in at half-time only a goal down, scored by centre-forward Brian Nesbit.

But in the second half Nesbit scored a fine hat-trick. Wycombe's only reply came when the home side were two goals up. Then Len Worley scored a good goal. In the last five minutes two defensive errors let in Nesbit for two goals.
